

Commitment Card

Early Learning is Good Business—October 18, 2011

We invite you to support early childhood education in our community. Below are some things you can do to invest in tomorrow's workforce today. I want to:

- Create a family/kid friendly play area or waiting room within my business that encourages early learning.
- Inform employees about the importance of the first years of life through employee newsletters, a company bulletin board, a lunch and learn, paycheck inserts, etc.
- Be an advocate by serving on a committee, contacting policy makers, speaking to groups about the importance of early learning, etc.
- Provide in-kind support (such as copying, faxing, meeting space, storage space, language translation services) or financial support to support early learning.
- I have other ideas or ways I would like to help: _____

Name: _____ Company: _____

Email: _____ Phone: _____

A representative will contact you within 7-10 days to follow-up and provide additional assistance.
Please use the back of this postcard if additional space is needed.
