

Project 20/20 & The Coordinating Council Meeting Notes

Date: May 22, 2014

Focus Statement: How do we use our existing assets and resources to educate a work force about existing programs/resources that will help them find, get and keep a job?

ASSETS	OPPORTUNITIES	AGREED UPON OPPORTUNITY	METRICS/MILESTONES/ ACTION PLAN	30/30	
<p>Patti Staib – Charitable Union has direct access to target market/partnerships, knowledge of barriers</p>	<p>Understand the barriers of the individuals that drop out or self-select out from Edge and various employment programs</p>	<p>Use our networks to support recruitment to CACC</p>	<p>Group members will individually call 211 with resources about job training or development opportunities</p>	<p>Meet at next TCC/2020 meeting</p>	
<p>Mike Grider – Addiction mentor, and speaker, brings knowledge and hope of recovery form addition, speaker for Substance Abuse Council</p>	<p>Survey applicants not selected or who drop out to determine root cause</p> <ul style="list-style-type: none"> o Characteristics: Goodwill and Edge program database obtained o Survey is compiled o Survey is distributed 	<p>Understand the barriers of the individuals that drop out or self-select out from Edge and various employment programs and connect them to opportunities</p>	<p>Kathy will contact Richadonna and ask her to get info to 211 about programs available at Mike's Place</p>	<p>Use email to communicate between meetings</p>	
<p>Laura Otte - knowledge of community, knowledge of community programs, facilitator, space to convene</p>			<p>Group members will communicate with each other about programs and referrals</p>		
<p>Matt Lynn – space to convene</p>			<p>Lisa will make sure clients have information about resources</p>		
<p>Kim Andrews Bingham - KCC</p>	<p>Discussion: Members shared program information and opportunities available to help people find, get or keep a job. Programs shared: EDGE Program (new cohort), Positive Impact workshops (job skills), KCC running a program similar to EDGE (18+ to help people develop soft skills and help with job search), CCR is helping to get care for people who have childcare issues, Mike's Place has computers available</p> <p>What does success look like? Drop out rates decrease, increased employment rates, teachers have opportunities available to help youth that need it, there is support for teachers/schools from the community, there would be adequate transportation for those who need it, soft referral of people to services, less barriers (lack of resources for young people with families that are struggling)</p>		<p>Patti and Lisa will connect with Kris Jenkins about marketing to their clients</p>		
<p>Jennifer LaGrand - EDGE program</p>				<p>Group members committed to documenting their referrals</p>	
<p>Rhonda Harmon - Charitable Union</p>				<p>Kathy will connect to 211 to develop a list of opportunities from each of the group member's orgs. Based upon the updates provided to 211</p>	
<p>Danyelle Maitland - Substance Abuse Council</p>				<p>Matt will reach out to Amy Brydges at Northwestern Middle School to see how we can connect to school counselors to prepare young people</p>
